Howdy

Karen, 19:46
OMG I'm so happy you answered!

Bob, 19:46
Why?

Karen, 19:46
I love people that love Alpacas!

Bob, 19:46
Oh wow. Me too!

Karen, 19:47
Although, I must inform you, your profile pic is a llama not a paca baby

Bob, 19:47
Yeah, I know. Its a test. I have to weed out the fakers.

Karen, 19:47

mistreating some of his Alpacas. We have heard complaints that he refuses to provide Alpacas with scarfs and beanies during the winter!

What we need you to do is gain his trust and then hack his machine. We will give you more information about this in person. Meet us here "27°22'50.10"N, 33°3'54.62"E"

Hi Michael,

I've always been interested in this kind of work (more in the hacking side) but never got around to learning about it. I think this will be an awesome opportunity for me to learn more and maybe even protect my own computer from hackers!
